

HOPKINS & ALLEN MUZZLE LOADING GUNS

The muzzle loading gun blazed a great era in the pages of history. It is the turning point of weapons design and perhaps the very apex of basic fundamentals which started the renaissance of firearms design and improvement in which we are living. "Charcoal burning" as it is affectionately called by its advocates, is a rapidly-growing sport

and its devotees are increasing in number daily. It is truly a rewarding pastime and one of the finest new shooting sports in existence. Muzzle loading clubs are springing up all over the nation and their very existence have caused some states to open up special seasons for hunting game with muzzle loaders.

Calibers: .36 & .45
